

**APRIL 8-9**  
**2021**

**Thank You for  
Attending**

*Thank you for attending the 29<sup>th</sup> Annual Virtual Clinical Update in Geriatric Medicine conference.*

We would like to extend a special thank you to our course directors, planning members and speakers whose participation was essential in the success of a quality program.

It was important to continue to offer healthcare professionals an educational conference which helps you provide superb care to older adults. Our shift to a virtual conference was designed to afford the interactive benefits of an in-person meeting and access at your convenience from your home or office.

*We hope you enjoyed the virtual offering and look forward to your feedback.*
